IN 31ST YEAR—EVERY WEEK SINCE 1905.

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, JANUARY 31, 1936

NUMBER 14

LAYMAN'S MEETING THURSDAY NIGHT AT METHODIST CHURCH

"Cast your bread upon the water and in days to come you will get a crumb." Our postponed Layman's Meeting from Jan. 16th, will be held Thursday of next week, Feb. 6th, 7:30 p. m. The Chamber of Commerce has very graciously put their meeting off for some days, and clearing the way for our meeting. We are very grateful for their consideration and will lend them a hand when their day comes.

The program for the Layman's Meeting will consist of specials in instrumental and vocal music, after dinner speeches, and the main address by Mr. Ray Nichols, of Vernon, Texas. Mr. Nichols has taken high honors in Rotary, holds a high office in the West Texas Chamber of Commerce throughout Texas, and is Lay Leader for the Northwest Texas Conference of the Methodist Church. He is an interesting speaker and a high type Christian Gentleman.

The ladies of the church are preparing coffee and the substantial part of the plate lunch to be served, but, since the meeting is opened to all who enjoy a program of this nature, you will not mind, I am sure, supplementing by bringing a covered dish to serve along with theirs. If you would like to be here, then we want you to be here, so come right along.

Another interesting series of services is that of Dr. Pierce's lectures on date of Feb. 9-14 each evening. Detailed announcement will appear in the Hamlin Herald next week.

Don't forget the regular services Sunday morning and evening. We will have both the class rooms and auditorium comfortably heated for all services and ready for company. "If every other church member was just like me, wouldn't our church be a sight to see?"

H. A. LONGINO, Pastor.

NOTICE OF SINCERE APPRECIATION

My heart is truly full of gratitude for so many letters, cards and for so many beautiful flowers received from, and visits made by my Hamlin friends during my recent illness.

Since it is impossible to reply personally to so many such cases, I am availing myself of the courtesy of the Hamlin Herald to express in this manner my deep appreciation of such kind remembrances.

Sincerely,

C. G. GREEN,
Superintendent Hamlin Schools

The Herald has a letter from Miss Margaret Peel, R. N. Supt. and Anesthetist, in the Swisher County Hospital at Tulia, requesting the Herald to be sent her mother, Mrs. F. A. Peel, at Oakland, California. These people are old-time citizens of Hamlin and they have many relatives and friends in Hamlin—they like to hear about every week.

Mr. and Mrs. Leslie Wilkes of Portland, Texas, down on the "sunny balmy Coast" of Texas, came up Saturday to attend to business and to visit their parents, Mr. and Mrs. Fate Beavers. The cold weather made 'em shiver.

Mr. and Mrs. Jimmie Taylor are quite happy over the arrival of a fine little daughter, Althea Ann, weight 8 pounds and her birthday is January 27. The mother and little baby are snug and doing well at the Hamlin Hospital.

Supt. C. G. Green and Mrs. Green returned from Dallas last Saturday night after being in Dallas several weeks while Mr. Green was recuperating from a serious surgical operation. He is feeling quite buoyant and will soon be at his desk in the High School building again.

BUSINESS PLACE FOR RENT

The business house now occupied by the Otis Hopper Barber shop, next door south Wilson Hardware will be for rent Feb. 1. If interested, 'phone 84J or see owner, MRS. E. M. WILSON (13-2t)

WHEN WEST TEXAS PEOPLE CELEBRATE

The Herald indicated last week that more would be said about the opening of the big New Bridge over Double Mountain Fork of the Brazos.

Again we are making a short report — for a week makes a great deal of difference. The formal opening showed how happy West Texas people are over progress. The new bridge marks a new day in progress in the several counties bordering on this branch of the Brazos.

That old river has been getting on a high-horse ever since the Indians strowed up and down its sandy banks, a thousand years before the discovery of America by the Europeans. It is a mild, innocent stream when it is dry or near dry, but a "He-Cat" on a rampage. The thing is known to come rushing down, because of a water-spout in the upper hills, and hardly a drop in Stone-wall County.

Bridges have been built and washed out — built and sank, and over and over uncertainty—NOT so now. The celebrators found a modern, all-age concrete bridge, double width, and beautiful in construction. The visitors also found, but not surprised, a lot of the famous old West Texas barbecue, onions, pickles, bread, black coffee—yep, and a lot of the peppiest, good-looking women on the banks of the River. The warm sunshine (January too) the laughter and the hearty hand-shake of the old timers, some of them pepped up with "South Side Beer," all of this we say made one forget there was ever a depression.

The speaking—gosh, there were one good speeches too. Hamlin's Ger-ald Morgan, was given the honor of Master of Ceremonies. He thanked all persons, both of Aspermont and Hamlin, for the co-operation in helping to make the day a success—each individual merchant, committee and all were remembered.

The first speaker, and by-the-way, Abilene was over there like "blazes"—the High School Eagle Band, hat-tagged men, and well dressed women—Major Jim Stinson could be heard to laugh and echo back and forth between the hills and banks. The first speaker was Mrs. John Dessen, of Abilene, who was there as Chairman of the Citizens Committee for Highway Beautification. She made a crackerjack good speech on cleaning up our towns, keeping our highways free from trash and ugly signs. One point she made was about folks from town coming out to farm sides and nailing up old signs. She ask "what would the city man say if the farmer came into town and nailed up a sign advertising his fine hens or shoats, or some other product, right on the front lawn?" Then she said "stop the city man from doing it to the farm."

Chairman Hines was introduced by J. J. Waggoner, and Mr. Hines made a fine impression on the people, as being a conscientious man and anxious to perform a real service for West Texas people. One important thing he said, was, that roads across West Texas sparsely settled country are not just for West Texas people but for all Texas people—more so, perhaps than the roads down in the East.

Hint—Let's keep Hamlin cleaner in 1936—highway No. 4 free and clean. Let's put up our signs "Hamlin Welcomes You to Texas this Centennial Year, Ask Us."

INCUBATOR FOR SALE

Have a 125-egg incubator for sale—See it and you will buy it. MRS. S. B. LESLIE, 2½ miles west of Hamlin (p).

Mrs. M. P. May and son, John, accompanied by Revis Robertson, went to Amarillo Saturday to meet Parker May, who happened to be in that city for the next few days in government work. They returned late Sunday night.

BUYING COWS AND HOGS

I want to buy good cows and hogs—best prices paid. ALSO have a Poland China male for service at my place, 1½ miles west of Neinda. MITT TIDWELL. (14-2p).

PLAIN TALK

Last week the Herald carried a short article about paying your Poll Tax. Last week we also promised something on Taxation, this week. This week is the last week for paying the 1935 poll tax and the tax on property. After February the FIRST it will be too late to get a Poll Tax receipt, and therefore too late to get the privilege of voting. It will also mean a penalty on the property tax due, because it is not paid by January 31. A Poll Tax receipt can be secured without paying the property tax, but a Property tax can not be paid unless the Poll Tax is included, if the owner is of poll tax age. This means the poll tax property owner, listed on the tax rolls, will have a Poll Tax receipt, if he pays his taxes, whether he wants to vote or not.

PLAIN FACTS ON TAXATION:

There is a reason for making this "Plain Talk." We hope to be able to set out some plain facts and conditions, but at this time we shall offer no remedy—the remedy comes later—maybe next week.

Nobody likes taxation—the more one owns or has title to the worse he hates taxes.

A "TAXING UNIT" means that body established by law to operate a political division of government.

In Texas the Taxing Unit is either the State, the County, The City the School District, a Conservation District, or perhaps an Irrigation District. The Taxing Unit or Taxing Power is a body of men generally elected by the people to administer the public affairs. Taxing Units will be used many times in this article, and it is plain NOW that they are mere men, who have a duty to perform by using their own and other people's money. The Taxing Unit is not always responsible for saying how much money must be raised to pay off their obligations, but they are often responsible as to how much money is consumed in operations, for the taxing unit is also the managing unit (wonder if this is a wise set-up).

Let's get this agreement: We must have "government" which is nothing but a regulated form of doing business, combining the individuals of a community into one powerful (more or less) whole.

Government "housekeeping" is very much like individual house keeping. Some units of government like some men and women are apt to want an elaborate set up of grandeur and luxury. Just to keep up with "the other fellow." That means a call for big bond issues and consequently a larger outlay of operating expenses. The people grant this by their vote (usually). This means that perhaps the influential managers or directors, trustees or commissioners, have joined in showing the public that this and that will not cost much more, hence it would be patriotic to vote a little more tax.

Obligations pile up, in the face of the people. The best fixed persons can meet the tax burden, if everything goes well, and they do. But some of the best fixed can pay, but will not because there are so many who cannot dance to the tune of modern luxury and therefore fall by the way-side, humbled and miserable property owners who just could not "play the fiddle."

So the result is that from year to year an enormous amount of delinquent taxes pile up.

Therefore most taxing units, who think they need, say, \$15,000.00—levy a tax amounting to about \$18,000.00. Now the levying is based on so called valuations of property and the rate, set or allowed. Either the valuations can be high or the rate low, while the valuations can be low or the rate high. Sometimes one is high with the other moderate, sometimes both are high, but never are both LOW. (It depends on the individual who is taxed whether a rate or valuation is high or low). The most able to pay, sometimes are the hardest kickers. But one never hears a word of tax complaint from the persons who have no property on the tax rolls. And no person can get on the tax assessed rolls unless he has some taxable property. He has no excuse to kick.

There are more citizens off the tax

rolls than there are on.

But regardless of how many are listed with property, there is never so much objection to paying a tax till some natural calamity, depression or happening cuts from the owner his ability or power to make an income above bare operating expenses. One year of inability to meet taxes, then another and another, soon gets the owner to wishing he never owned anything. It also gets the taxing unit in a hole. But when a piece of property is once levied upon and the tax is not paid, the title to that property is forever clouded till it is paid. Often after a piece of property is traded or sold, the delinquent taxes take so much that the owner really sees his holdings vanish before his eyes—title can not be clear till all taxes are paid.

If a taxing unit keeps on making a practice of levying an amount on a community, far in excess of the money actually needed, just to make sure that they will have enough collected for operations (which means paying principal and interest on bonds, upkeep, labor hire, insurance, etc.) this means in time a great delinquent amount. To levy \$18,000.00 to get \$15,000.00 is to start off with a mistake. The \$3,000 excess means one-fifth more than is needed, and therefore the valuations or the rate is one-fifth to high. It also means a still greater burden on the property that will and does pay to that excess. Then why should any taxing unit be surprised in time, to find that they have thousands and thousands of dollars on the delinquent list. That is what they started out to build up. To our mind it's a rotten system of doing business. It is just like the credit

"PLAIN TALK" IS CONTINUED
ON ANOTHER PAGE — SEE IF
YOU CAN FIND IT.

UNUSUAL ADS

This week, readers of the Herald will find THREE full page ads in the Herald from THREE of Hamlin's progressive merchants, — CAMPBELL'S, STRAUSS DRY GOODS and BRYANT-LINK CO.

These display ads are worth your close attention. Campbell's are celebrating their "Founder's Day," with special price reductions for both of their stores—Hamlin and Rule.

STRAUSS DRY GOODS are offering a big "Stock Reducing Sale" where special values are offered.

BRYANT-LINK CO. are soon to celebrate the 52 birthday in Jones county and 10 years in Hamlin. Each of their four departments are represented in their page and greetings from the personnel of each department are extended.

The local merchant appreciates the trade of their territory. They seek to have the article, grade and kind for each customer. It means something to the entire community to "trade at home".

Not only the merchants of this week's advertising, but all are here at your door to make good any article purchased, and not up to what you paid for.

The only excuse for buying a piece of merchandise in some foreign town, is that you can not get it at home. Your home merchants deserve your full support.

Again we say the three nice pages are unusual for January and the weather—Go visit Hamlin stores as the warm sun comes out.

IT IS GEORGE W. CONNELL

In the list of candidates for office in Jones County, the Herald has been running one C. C. Connell, when it should be George W. Connell for Treasurer. The original announcement, however was correct.

—GEO. W. CORNELL

DONE IT AGAIN

The Pied Pipers have done it again. For the fifth year in a row the Pipers are Class A Champions of Jones County.

Monday night they beat Anson, at Anson, by a score of 36 to 8. Tuesday night, the Pipers beat Stamford at Stamford, 45 to 17. This gives Hamlin 6 victories and no defeats—while Anson is second with 2 victories and 3 defeats.

Next week the Pipers will play the winner of Class B for the right to go to the district. These games will be closely contested as Wise Chapel, Leuders, Hawley, and Noodle, all have good teams.

Hamlin has another team which is going places this year. The Jr. Boys team has lost but one game this year to a Jr. team. This week-end, Jan. 31 and Feb. 1, a Jr. Boys tournament will be held in the Hamlin gym. Come out and help the Hamlin boys win it.

WISE CHAPEL JR. GIRLS'

BASKETBALL NEWS

Here we are after a long period of absence.

We played Neinda the 8th of January. The scores were 24 and 15 in our favor. We played Hamlin's Senior team last Monday night. The scores were 188 and 11 in our favor.

We went to a tournament at Goodman the 24th and 25th. We were awarded for our efforts a Red and Black pennant, crediting us as winners of the tournament. We had two girls to make the all-tournament team. They were Mary Emmett Greenway as forward and Ruth Ellison as guard.

We will try to have some more news next week.

Society and Clubs

TWENTIETH CENTURY

CLUB WITH MRS. TAYLOR

The Twentieth Century Club played in the home of Mrs. J. F. Taylor on Central Avenue, Thursday afternoon of the past week. Substitute hands were played by Mmes. J. E. Moody, D. O. Sauls and J. O. Jones. High score for the club was won by Mrs. B. L. Jones and for the guests, by Mrs. Sauls.

Following the games a salad course was served.

Members playing were Mmes. J. T. Bynum, H. O. Cassle, W. R. Calhoun, A. E. Pardue, B. L. Jones, R. H. McCurdy, F. B. Moore and J. P. Morgan.

ARCADIAN CLUB

Dr. and Mrs. A. E. Pardue entertained the Arcadian Club in their home on Central Avenue, Friday evening, with four tables of bridge in play. High scores were made by Mrs. R. H. McCurdy and Dr. J. T. Bynum.

A plate of salads with hot rolls and coffee was served.

Those present were Mr. and Mrs. B. L. Jones, Dr. and Mrs. J. T. Bynum, Dr. and Mrs. J. F. Taylor, Mr. and Mrs. Joe Culbertson, Mr. and Mrs. J. E. Moody, Mr. and Mrs. R. H. McCurdy, Mr. and Mrs. M. T. Woodward and Mrs. Sam Hardy.

DOVIE PLAYERS CLUB

January 15, 1936 a group of people interested in organizing a dramatic club met at the Dovie School house. It was decided that the club would be called "Dovie Players Club"—the following officers were elected: President, Mr. Claude Bessire; Vice-President, Mr. Bonnie Green; Secretary, Miss Oneta Roberts; Reporter, Juanita Adams; Director, Mr. J. Collins Beaty.

The club is to meet each Wednesday night and to present one play a month.

—REPORTER.

MRS. CLUNY

HOSTESS TO CLUB

Mrs. Walter Cluny was hostess to the Kongenial Kard Klub in her home on Union Avenue, Tuesday afternoon. The usual four games of contract were played with Mrs. J. Frank Johnson winning high score. A salad plate with heart-shaped cakes, and coffee was served.

Members present were Mmes. M. T. Hudson, A. R. Elam, Ray Garner, J. Frank Johnson, Bob Barrow, B. W. Nobles, Roy Flowers, Bullard and Ray Willingham. Guests were Mrs. F. D. Wells and Misses Allie and Pearl Whitley.

CLUB IS ENTERTAINED

BY MRS. ENSEY

The Colonial Contract Club was entertained by Mrs. A. D. Ensey in her home, Tuesday afternoon at the regular club hour. At the conclusion of four games of contract, Mrs. Elmer Teague held high score. A salad plate was served.

Those playing were Mmes. Tom Williams, Bob Low, Paul A. Fowler, Elmer Teague, W. S. Pike, Turner Bynum, J. E. Moody, Mac Brundage, Art Carmichael, Paul Smith, M. M. Lane and Carmichael.

ENTERTAINED

WITH BRIDGE

Mrs. Turner Bynum and Mrs. Brundage were co-hostesses Friday afternoon when they entertained with five tables of bridge in the home of Mrs. Bynum on Lake Drive.

A Valentine theme was used in decorations and appointments, and was repeated in the attractive salad plate served at the tea hour. Comic Valentines used as score markers gave places at the game tables. The high score prize was awarded to Mrs. Henry Albritton and the consolation prize was received by Mrs. Charles Meyers.

The guest list included Mmes. W. S. Pike, Weldon Griggs, Henry Albritton, Maurice Smith, Frank Waggoner, Tom Vaughan, C. E. McFarland, Paul Smith, Arche Pardue, Lowell Ballew, Art Carmichael, Tut Tabor, R. E. Johnson, Otis Hopper, M. T. Woodward, Clinton Barrow, Milton Wilson, Charles Myers, W. R. Calhoun and Mrs. O. L. Taulman, of Monahans.

Mr. and Mrs. J. B. Walton of Kermit, Texas, came down Monday for a few days visit with their brother, W. L. Walton and family.

MRS. BYNUM HOSTESS

TO UTOPIAN CLUB

Mrs. Turner Bynum was hostess to the Utopian Club and other guests, entertaining in her home on Lake Drive, Tuesday afternoon. A Valentine motif was used in appointments for the three tables of contract. High score for the club members was won by Mrs. Alford Harden and for guests, by Mrs. Mac Brundage. A plate of salads and sandwiches was served.

Those playing were Mmes. J. T. Bynum, W. R. Calhoun, H. O. Cassle, D. D. Harden, Alford Harden, J. E. Moody, F. B. Moore, J. F. Taylor, J. P. Morgan, W. S. Pike, Mac Brundage and Miss Meddie Mae Bynum.

CLUB LADIES, NOTICE

Anson, Texas, Jan. 28, 1936.

Please insert a notice in your paper that the postponed meeting of January 18 of the Jones County Federation of Woman's Clubs will be held February 1 at the Anson court house at 2:30 p. m.. All members are urged to be present as a speaker from the Highway Department of Abilene, will discuss the Beautification of the Highways, preparatory to the coming Centennial.

MRS. C. A. STRUVE, Club Counselor.

THE AMERICAN HERITAGE

"We have become a great nation because we are a nation of fearless individualists. We have no caste, no privileged few; and the little child born in the tenements is a potential president of the United States. This is our heritage. No depression can take away from the true American his desire to climb and his desire to achieve. The history of America is filled with the stories of men who battled their way through barren wilderness, who blasted their way through mountains of rock, and laid the foundations of cities and businesses that stand as testimonials to this country and its opportunities. For the track walker becomes the railroad president, and the farm boy becomes the president of a great bank."

—An address by Roy H. Faulkner, President, Auburn Automobile Company.

Don't let the milk of human kindness sour.

I SING the BEAN

BARDS of old could have found no more splendid subject to sing than the lowly brown bean, especially if it were served in a low brown pot, fragrant with the mingled goodness of brown sugar and crisp brown bacon! Mingled with it are reminiscences of the songs that the pine trees sing out in Maine woods where beans are eaten by woodsmen who know the worth of long hours of baking in earthen ovens.

Sing the bean then, and repeat a chorus of very good bean dishes which you have tried and found not wanting in universal appeal. Here are two recipes which will start you off singing in tune:

Encore! Encore!

Beans and Cheese Casserole: Dice four slices of bacon and fry crisp. Remove. Drain off most of the fat and add one-fourth cup pecans and brown gently. Add one-third cup diced cheese, the contents of one can of New England oven-baked beans, the bacon dice and salt to taste. Pour into greased individual casseroles. Cut two slices of bacon in halves and place a piece of bacon on top of each. Bake in the oven until the bacon is crisp. This serves four persons.

Baked Beans and Hamburger: Chop one onion, add one-half pound of hamburger steak and brown in two tablespoons of fat. Add the contents of one can of tomato soup and the contents of one can of oven-baked beans. Salt to taste and heat thoroughly. Serve plain or over slices of hot, steamed brown bread. This serves six persons.

McCAULEY NEWS

We all enjoyed the snow.

The Senior girls and boys basketball teams have won several ball games lately.

Many of the women and girls attended the W. M. U. meeting at Roby, Tuesday.

Our hearts were made sad when death claimed little Peggy Joe Keen early Wednesday morning, January 22, 1936, after 18 days illness in the Stamford Hospital. She was only 3 years of age, December 18.

The funeral service was held at the grave side, Wednesday afternoon, by Bro. Hardesty and Bro. Bateman. Peggy Joe's favorite song was "Jesus Loves Me." She will be greatly missed by all. But she is with the Jesus she sung about.

Pallbearers were Bert Mayo, A. A. Calloway, Monroe Maberry and Pete Steven. Flowerbearers were—Mrs. Hardesty, Mrs. Bateman and Mrs. Yates.

The body was placed to rest in the McCauley cemetery, in charge of Maple Funeral Home, of Hamlin.

Monday, Feb. 17—Banquet.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of the disagreeable symptoms coming on. "We have used **Thedford's Black-Draught** for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take **Black-Draught** for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found **Black-Draught** gives good results." Sold in 25-cent packages.

For a Happier and Easier 1936

Just think of the happiness and ease that the modern housewife of 1936 may enjoy in comparison with less convenient methods.

Imagine yourself preparing an entire meal, placing it in the oven of the electric range, snapping a switch and returning later in the day to a perfectly cooked, delicious meal.

That's electric cookery, 1936. You can buy a Hotpoint Electric Range on the most convenient terms. Electric cookery rates are most reasonable and you will marvel at the full, rich flavor of electrically prepared meals. Let this modern method of cookery give you more ease in your home during this new year.

West Texas Utilities Company

Mrs. Metta Hanes, Miss Freda Chastain, and Miss Elsie Wienke, all Hamlin beauty artists, attended the annual meeting of Texas Accredited Beauty Culture convention in Houston. They seem to have had a great time and evidently acquired some of the latest points in the advancement of their art.

"HOUSES FOR SALE"

HAMLIN'S

CAROL BENSON, Hamlin, forward, and one of the best shots in Texas basketball circles. Serves as the Cow-boys' sharpshooter, at Simmons University.

Lets Talk about Clothes

DENTON, Jan. 20.—How many women give no thought and very little attention to the appearance of their eyes? So many have remarked, "Eyes are just eyes, and there's nothing you can do to improve them" that the statement has become fixed in the minds of people, and the idea of using eye makeup seems frivolous.

Of course we wouldn't want all the women in the world to waltz around with beaded lashes and slathes of vivid shadow, but a bit of discreet eye makeup does more for the average face than any beauty aid save perhaps lipstick. "Paloness" about the eyes, by which we mean the effect when eyes are not striking is a beauty ill of which you're apt to be unconscious.

Use mascara by all means if the lashes are colorless, and dont be completely wary of shadow. A tiny bit deftly blended and in the right shade, is in perfect taste and plenty attractive. Your mascara can be brown or black if you're conservative; after the start you can work in the more exacting blends for evening.

Girls at Texas State College for Women (CIA) maintain that eye-brow grooming does wonders. Not plucking to a thin, harassed line, but

simply making the most of the natural line. Messy brows make a face look grimy in some mysterious fashion; shaping and clearing the space just above the nose spruces up the entire facial affect.

Much has been said relative to eye make-up, but the care of the eyes is also extremely important. When they are tired washes will give soothing effects and help to bring back the sparkle. At night apply oily creams to stimulate growth and make the lashes soft.

(The Herald guesses "Eye Dressing" comes under "Talk About Clothes").

Hold everything, Feb. 17.

Mrs. Jack Daniel left Tuesday with her son, Virgil for the Scottish Rite hospital in Dallas for further treatment for bone trouble in his legs. This is his third or fourth trip.

News Highlights

OF
THE WEEKFROM THURSDAY TO
THURSDAY:

From the modern sources of getting news of the world, we find that the items of greatest interest occurring since the Herald last went to press might include:

POLITICALLY: Former Governor Al Smith of New York, former standard bearer of the Democratic Party, made a sensational address before the American Liberty League in Washington City on Saturday night.

According to our way of thinking and carefully analyzing the man, Al Smith, he was just a croaker, croaking his final croak. He took the New Deal to task and said some rotten things about the greatest president this country has had since Woodrow Wilson.

Smith spoke in the presence of the "mighty," the silk stocking gang, who have always opposed anything that would help somebody besides themselves. Al Smith is the last guy in

the United States to open his lip against Franklin Roosevelt. We saw and heard Roosevelt address the convention in Houston in 1928, nominating Smith. This is the only real mistake, so far we have ever known Mr. Roosevelt to make, except to veto the Bonus Bill. The set-back the nation gave Smith in 1928 should disqualify him to speak in opposition to any democrat, especially Roosevelt.

&&&

INTERNATIONALLY speaking, the next great event was the ceremonies of the final interment of the body of the late King George V. This took place Tuesday, and the entire radio world was in tune with England and her mourning people. Really the world has lost a great man in the person of King George V.

&&&

POLITICALLY, again, we must refer to the address of Senator Robinson of Arkansas, the Roosevelt administration leader. Tuesday night he spoke over the radio, replying to his one-time running mate, the "extinguished" Al Smith.

What an address! Robinson is one of the nation's great men, and he has a way of saying things in a most sincere manner. He used Al's own language and according to our estimation, he whipped the dickens out

of the rollicking, sloppy, sidewalk dancer, who performed for the billion dollar gang at the Liberty League banquet. Robinson compared that banquet to Belshazzar's Feast and said that the action of Al Smith ought to be as unthought of as one thinking that George Washington leaving his hungry, tired and bleeding men at Valley Forge and going over to hobnob with the Tories in Philadelphia. We would sum up the Al Smith episode as a "sour grape fling" and it will not cause a single citizen to forsake the Roosevelt administration and join either the Liberty League or the Republican party. It is men that count in this enlightened day—Al Smith has been ditched by his party in the good old south—even in Texas, and since his conduct last Saturday night, even many of those who voted for him in 1928 are ashamed of him.

&&&

THE BONUS passage, is another great event of the week. Economically, we believe this act of Congress will mean more to bring about a temporary recovery, leading to permanent conquering of the depression, than anything yet attempted. At least it is one bone of contention, politically out of the way. Since the Congress voted the Bonus Bill over his veto, the president wants them, NOW to find the cash and pay off.

&&&

IN THE FIELD OF CRIME—the most outstanding event of the week was the killing of the prisoner, Loeb, one of the young men who so brutally killed the famous "Little Bobby Franks" in Chicago a few years ago. Loeb and Leopold killed little Franks just for the "sensation," and old lawyer Darrow put up a plea and kept the boys from the electric chair. The fellow prisoner who cut

Ford

ANNOUNCES \$25-A-MONTH TIME PAYMENTS AND A NEW UCC 6% FINANCE PLAN

Any New Ford V-8 Car
Can Now Be Purchased for \$25 a Month
with Usual Low Down-Payment

THIS \$25-a-month time-payment plan enables you to buy a New Ford V-8 car through your Ford dealer on new low monthly terms.

After the usual low down-payment is made, \$25 a month is all you have to pay for any type of new car, including insurance and financing.

Your cost for this extension of credit is only 1/2 of 1% a month on your original unpaid balance and insurance. This plan reduces financing charges for twelve months to 6%. For example, if you owe a balance of \$400 for your

car and insurance, you pay \$24 for the year of credit; if the balance is \$200 you pay \$12. Your credit cost for one year is the original unpaid balance multiplied by 6%.

UCC plans provide you with insurance protection at regular conference rates. You have not only fire and theft insurance, but \$50 deductible collision, and protection against other accidental physical damage to your car.

The Universal Credit Company has made these plans available through all Ford dealers in the United States.

Loeb to pieces with a safety razor blade should now be given an unconditional pardon, unless he should be left near the other killer of little Franks, to complete the riddance.

&&&

NIAGRA FALLS came in this week for its share of front page headlines. It was frozen tight as iron for more than three days, a thing never heard of before. What power has old mother nature! Then on top of the great freeze-up, the nation has been shocked by a number of fires, the deaths from cold and from automobiles.

&&&

BIG THINGS have taken place in the war-threatened countries of Europe. Italy continues to butcher the helpless Ethiopians, who are fighting a hopeless battle for their age-old home land. War is terrible.

But it seems clear to us that the only way to stop war is to pull ONE more. If 50 or 60 nations vote unanimously that some other country in the world is guilty of aggression, then to make an example, the family of nations should fight the offender into the line of peace. When that is done nations will settle difficulties without death and destruction.

WHAT FOR NEXT WEEK?

Jones Co. Home Dem. Club Council Holds First Meeting of New Year

The Jones County H. D. C. Council met for the first time in the new year on Saturday, January 25, 1936, at 2:30 p. m. in the District court rooms at Anson, Texas, with the council president, Mrs. Robert Manly, presiding.

The meeting was called to order by the president, being followed by the roll call.

Minutes of the last meeting were read and approved.

The secretary's annual and financial report was read and adopted.

Unfinished business followed. The motion was made carried for the council to have its regular meeting day the first Wednesday in every month, instead of the last Saturday in every month as has been the regular date.

Committees were appointed by the president as follows:

Finance — Mrs. C. B. Bonneaux, Trent, chairman; Mrs. N. E. Scott, Lueders, Mrs. L. O. Sparks, Hamlin. Expansion — Mrs. W. C. Vernon, Hawley, chairman; Mrs. B. Hawthorne, Anson; Mrs. Paul Gardner, Anson.

Yearbook — Mrs. G. Rennels, Avoca, chairman; Mrs. Sam Washburn, Merkel; Mrs. Fred Rosenbaum, Hamlin.

Exhibit — Mrs. E. P. Johnson, Anson, chairman; Mrs. Charlie Myatt, Nugent; Mrs. D. V. Hamilton.

Special committees are as follows: Educational — Mrs. Ina Moorehead, Lueders, chairman.

Recreational — Mrs. Ralph Goolsby, Hamlin, chairman.

Writers Conference — Mrs. Coleman Gibbons, Hamlin, chairman.

Encampment — Mrs. Carl Bonneaux, Trent, chairman.

The Standing Rules of the Council were read and adopted.

Various clubs turned in money for yearbooks sold up to date, to the amount of \$8.60.

The council next voted to invite the Stonewall County Club women to meet with the Jones County Club women in the club encampment which shall be held in the summer.

This year, the secretary and reporter of the council will be allowed their expense money.

Miss Faulkner announced that all contestants in the General Farm Improvement Contest will meet in Anson, February 7, 1936. Visitors are invited.

Announcement also was made of the meat killing and canning demonstration to be given the Hanna club on February 13.

Club members are urged to pay

their educational fund fees.

All council members are urged to be present at every meeting if possible, and all club members are urged to do their best to make this a banner year for club work in Jones County.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." ... If Cardui does not help YOU, consult a physician.

TARLTON WILINGHAM ANNOUNCES FOR FISHER CO. COM.

TO THE VOTERS OF
COMMISSIONER PRECINCT
NO. 2 OF FISHER COUNTY:

This is to announce that I am candidate for the office of Commissioner of your precinct.

I have lived in this precinct for 26 years and believe that I know the needs of this precinct and the needs of Fisher County. The only promises that I have to make to the voters are that if elected, I will work diligently at the job of being your Commissioner, and will see that you get 100 cents worth of service for every dollar of the county's money that I cause to be spent.

I believe that almost all of you know me; and I wish to see and talk to all of you, especially the man who does not know me, so that each can judge for himself who I am and what I stand for. I am a democrat and believe in a square deal to all. I believe in the upbuilding of the civic life of our precinct and county, and making our government more democratic and our homes better places in which to live and rear our children. I believe in making our schools better institutions of learning. I believe in conserving the tax money paid into the county treasury by you, our citizens, and placing our county and precinct finances on a strong and sound basis, and making taxes as low as possible. I will appreciate your vote.

I am submitting my candidacy subject to the action of the Democratic Primary.

TARLTON WILINGHAM

Tate May and W. E. Benson attended the annual banquet of the Abilene Chamber of Commerce on Monday night. They report a fine meeting.

Mr. and Mrs. A. B. Wells of Bowie came down Sunday to visit Mr. and Mrs. Ed Hix, also on the same day. J. O. Hix of Childress, was a visitor.

THE JUNIORS PRESENT

COMING ATTRACTIONS

Flash! News of the Junior Hollywood actors and actresses! The Juniors of Hamlin High School, which as recently been transformed in a stage for ambitious actors, are announcing the annual Junior play as the next big attraction in the course of school entertainment for this year. For several years, it has been a custom for the Juniors to present a play and they have, as a result of their efforts, established a firm reputation for presenting enjoyable entertainment. I am sure that they are not going to let this play ruin that reputation. And with the present cast, a ruidation is positively asured.

"Molly Rushes In," is a typical three-act comedy, where angels fear to tread, or at any rate, where some would be afraid.

It isn't everyone who would undertake to cure cousin Marcella's imagined ills, to fix up the romance between Sally and John, to hood-wink a secret service agent, and to keep Roderick Ward in a dither all at the same time. But Molly calls herself a Doctor of Human Misfits and she landed in a psychologists paradise.

She set to work and the results, though surprising in a couple of instances, were good.

Any audience will love Molly, the girl with a genius for minding other people's business and making them like it.

The cast of actors is splendid. They

New Way TO SAVE FUEL

NEXT to taking a lease on the garden of Eden, the housewife's dream is a place to live where there would be no regular monthly bills coming in. Food bills one doesn't feel badly about—that was a gorgeous roast Sunday, and that Friday fish was well worth what it cost. Clothing—well, everyone likes new clothes, and you expect to pay for them. But gas bills, light bills, laundry bills—how lucky Eve was, except that she had to go to bed at sundown.

Why not save a bit on your cooking fuel this winter, whether it happens to be gas, electric, coal or oil? Make a list of the canned meats which your family like best and plan to serve them often this winter. Besides the fact that you don't pay for bones which you throw away, you pay for only a minute or two in heating them, and if you have some good recipes on hand, you will be surprised to find what delicious meat dishes you can make.

All Kinds and All Prices

These meats range from the very inexpensive corned beef—solid, tender and delicious—to such good Sunday dinner meats as baked ham or baked chicken in cans. You would boil, or bake, half of a ham for at least two hours, and by the time the skin and bone were removed you would have no more ham than you can buy in the large-size can, ready-cooked, at less cost per pound. Then deduct the two-hours of fuel burning—and what have you? A darn good ham.

Here are some good meat dishes. **Beef and Mushroom Pie:** Drain and reserve the liquor from a 4-ounce can of mushrooms. Slice the mushrooms and saute for five minutes in three tablespoons of butter. Add enough water to the mushroom liquor to make two and

one-fourth cups of liquid. Smooth three tablespoons flour to a paste with the liquid, add slowly to the butter and mushrooms and cook until creamy. Add one bouillon cube, one and one-half teaspoons salt, one and one-half cups of small potato balls or cubes and the contents of one 12-ounce can of roast beef which has been cut in cubes. Pour into a baking dish, cover with a crust or with small baking powder biscuits and bake in a hot oven—400 degrees—for thirty-five to forty-five minutes. This serves eight persons.

Creamed Meats

Southern Creamed Chicken and Corn: Slice the mushrooms from which the liquor has been drained and reserved. Cook mushrooms with one-half cup chopped blanched almonds in three tablespoons butter for five minutes, being careful not to brown. Add three tablespoons flour and stir until smooth. Add slowly the mushroom liquor and two cups milk, stirring constantly until smooth and creamy. Add salt and pepper to taste, one cup canned corn, one 6-ounce can of chicken which has been cut up, and one slightly-beaten egg yolk. Have mixture very hot. This serves eight persons.

French Omelet with Creamed Ham Loaf: Melt two tablespoons butter, add two tablespoons flour and stir until smooth. Add one and one-third cups milk slowly, stirring constantly until smooth and creamy. Season with salt and pepper to taste and add two teaspoons lemon juice. Cut the contents of a 7-ounce can of ham loaf in small dice and add with one-half cup diced celery and one-fourth cup sliced stuffed olives. Reheat and serve around a loaf. French omelet made in the usual way. This serves four persons.

reveal the play in such an excellent manner that any spectator will wonder about the proclaimed talents of Joan Crawford and Clark Gable. The colorful glory of the stage and movie kingdoms, with all the bright lights, will be overshadowed and dimmed.

The leading role of Molly will be played by charming Inez, Constance, the bride, by Beulah Lou Burns; Richard, the groom, by Gilbert Freedman; Roderick, by J. B. Terrell; Randolph, by J. T. Sipe; Eleanor, by Erma Locke; Larry, by John F. Green, Jr.; Marcella, by Fleta Elkins; Tom, by Ray Humphreys; Sally, by Lila Belle Moore; John Shelby, by Sam Adkins, and Rutherford Raine, by Lorene Sipe.

That is the cast members, we let you, the public, be the judge.

"Molly Rushes In," will be presented Thursday night at eight o'clock, in the Hamlin High School auditorium, February 13th.

LEGION MEETING MINERAL WELLS

National Commander To Attend
Meeting On Feb. 15-16

Mineral Wells, Texas, Jan. 23, 1936.—A Tri-District convention of the 17th, 13th and 12th districts of the American Legion, Department of Texas, has been called for Mineral Wells on Feb. 15 and 16, according to information given by Larry S. Daniel, Abilene, committeeman for the 17th District.

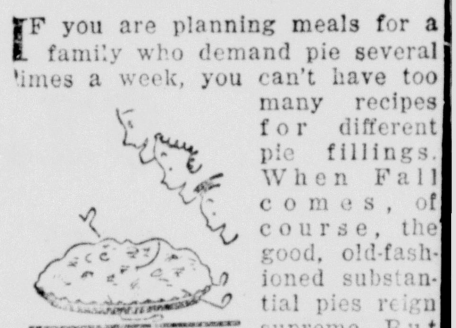

Ray Murphy, National Commander, has accepted an invitation to visit Texas at this time and to be a guest during this tri-district meet. Elaborate plans are being made for his reception in Texas at that time. He will speak before the convention on Feb. 16.

Mineral Wells and the Farris Anderson Post, No. 75, will be hosts to the tri-district meeting and are making plans to entertain Legion guests from all parts of the state as a result of the National Commander's visit. A very interesting program is being arranged. Between 1,000 and 1,500 guests from the three districts are expected.

A parade, floor show, dance, memorial, luncheon and business meetings are among the activities listed

for Saturday afternoon and night and Sunday.

Larry S. Daniels, District Executive Committeeman of the 17th District has named Fred W. Parnell, Assistant District Committeeman, Chairman of the Resolution committee and requested that the offering resolutions, mail or present their resolutions to Fred W. Parnell.

If you are planning meals for a family who demand pie several times a week, you can't have too many recipes for different pie fillings. When Fall comes, of course, the good, old-fashioned substantial pies reign supreme. But

in the summertime your pie filling must be "knit to fit" the temperature, and I know of no more fitting summer pie than this one.

Coconut Transparent Pie

¾ cup butter; 1 teaspoon grated orange or lemon rind; 1 cup sugar; ¼ teaspoon salt; 5 egg yolks; 1 baked 9-inch pie shell; 2 cups shredded coconut.
5 egg whites; 6 tablespoons sugar.
Cream butter with rind; add sugar gradually, creaming until light and fluffy. Add salt and egg yolks, and beat very thoroughly (about 10 minutes). Turn into pie shell, sprinkle with 1 cup coconut, and bake in slow oven (300° F.) 60 minutes. Beat egg whites until foamy throughout. Add sugar, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in peaks. Put lightly on filling. Sprinkle with remaining 1 cup coconut. Bake in moderate oven (350° F.) 15 minutes, or until delicately browned.

LAUNDRIES WOULD PROSPER IF EVERYONE PUT IT ON THE CUFF.

business—the unable to pay or those who will not pay is charged against the crowd that will pay. But one will say: "A hundred per cent crop can't be harvested."

In the county of Jones, for example, it is about like all others. The county and State become a joint taxing unit. Also the County and the common school district are joint taxing units, perhaps some small independent school districts also allow the county to set their valuations at the rate. Also in the county there are Incorporated Cities, whose taxing is different valuations and different rates, and the same is true of the Independent School Districts—too, have a valuation and a different rate of taxation. Valuations are as far apart or more so than their own. Valuation is on paper in most cases. It is just as easy to write 5000 as 2 or 3000, and if the taxing unit wants to have a reputation for lowering a rate they can just raise up the valuation and brag about a low rate. Maybe the owner will manage to drag out enough in one year to meet the tax and if he does then what?

Property is supposed to be sold for taxes. But when the county, the state, the school district and the city all have a tax account against the property, and one division forces sale, who gets left?

There is property in Hamlin that is never paid a cent of taxes to anybody anywhere. It has never paid a cent to the owner, either. This is perhaps true in every town in Texas. There are farms in the Hamlin Independent School District, delinquent in taxes in an amount to absorb all possible income for the next five years, say nothing about the recurring yearly taxes for county-state, and school. There are homes in Hamlin that owe more taxes than every winter of the house and every ounce of the dirt in the lots would bring a sale.

A taxing unit can not continually operate on such a system. The individual is aware of his property being jeopardized by taxes that his property can not pay. He refrains from adding to himself more taxable values by building or improving. He sees others who own nothing and go about tax free, and the final outcome is that our system of taxation retards progress.

The person who owns property

need not get sore at the taxing unit because his so-called valuations are fixed. The taxing unit need not feel that each and everybody who does not walk up to the tax log and lick, is trying to evade his taxes. However, it does seem that a taxpayer who will pay and has always generally paid, has a right to feel sore because a taxing unit lets a contract to some outside person on a high commission to collect a delinquent tax that would have otherwise been paid to the regularly elected tax-collecting authority.

But why should anybody kick about anything? If the present set-up of getting money to pay government expenses is the best system the minds of men can devise or agree upon, let's all quit our kicking. If there is a better way and more dependable way of making everybody bear their proportionate part of governmental expenses, it should be figured out. And if it is ever figured out, it must be figured down where the people live. It will not be done in legislative halls.

No two persons agree on taxation, except that none enjoy paying them. All of us know we are "into it" on the tax question, but nobody knows exactly how to get out. Everybody realizes something should be done, but any move to "do the doing" gets on somebody's toes and up goes a howl—the only group who can't howl loud is the poorest property tax payer—not the fellow who only renders a cheap watch or some other mere item—but the real estate owner, whose property is bonded to liquidate big debts and bear other annual operating expenses.

(Next week some more).

SIX INCHES OF BEAUTIFUL SNOW

AGAIN "Just to keep the history straight."

A very cold week has passed and a most delightful and beautiful snow has fallen. A real good old wet snow, measuring about six inches, has blessed our West.

Yes, sir—e-e, it has been pretty cold and Wednesday morning snow began and by dark a nice cover lay over the entire country.

This Thursday afternoon, a warm sunshine is beaming down on house-top and fields, causing a trickle of the finest water in the world to soak mother earth. What a fine start this will be for early spring plowing and planting. How the wild flowers, and the weeds will grow, early.

All this country needs now is to know what Washington is going to suggest about AAA. West Texas farmers are generally thinkers and realize that some governmental expedient MUST be had. The word "Go" is all they need not get NOW.

Tom Neeley returned Wednesday from Brownwood, where he was called to the bedside of his brother-in-law, Hugh Latham, who is very ill with pneumonia.

About two weeks ago the home of Mr. and Mrs. Latham in Brownwood, was destroyed by fire.

Milestones of American Genius

Memorial over Robert Fulton's last resting place in New York

ROBERT FULTON

WHEN the steamboat "Clermont" saucily puffed her way up the Hudson River in 1807, the first of the great transit inventions which marked the progress of the American nation turned from dream into fact. Robert Fulton, its inventor, thus won himself a place of honor among the men and women remembered for their contributions to the nation.

Robert Fulton was born in Lancaster County, Pennsylvania, in 1765. His road to invention, curiously, lay through the domain of art. Apprenticed to a jeweler as a boy, he developed such marked talent for drawing that he decided to become a painter. This ambition took him to England, where he studied under the renowned Benjamin West, and attained some standing as a painter.

In England a meeting with James Watts, the inventor of the steam engine, suddenly diverted Fulton's attention to engineer-

ing. Art languished while he experimented with the newly discovered principles of steam power. Submarine boats, it is interesting to note, were among the first objects of his research both in England and France.

On returning to the United States, he found financial backing and built the steamboat now forever linked with his name.

Americans who view memorials celebrating the deeds of our national heroes, or of their private family heroes, rarely realize that Robert Fulton has contributed even in this field. He invented a machine for sawing and polishing marble, the principles of which are still in use.

He died in New York, in 1815, and was buried in historic Trinity Churchyard, now in the heart of the financial district. Nearly a century later the American Society of Mechanical Engineers marked his last resting place with the monument shown in the sketch.

FARM ALMANAC AND FACTS BOOK

Publication of a "Farm Almanac and Facts Book" which will be distributed to the rural population in all parts of the country is announced by the Ford Motor Company.

The book is of a convenient pocket size containing 48 pages. It is unusual in makeup and content, presenting an extensive array of handy tables, statistics and charts for the assistance of the farmer and business man. Other sections are designed to aid the farm wife.

This first Ford Almanac is published for 1936 and now being distributed. It carries a readily available calendar on the back cover and contains tables showing the time of rise and set of sun and moon in all parts of the country every day of the year. Other helpful and interesting astrological and astronomical information is included.

Among the other prominent sections of the book are: A list of memorable historic events for each day of the year, facts about the universe, explanations of physical phenomena, a list of important festivals and anniversaries for the year, rules for foretelling weather conditions, population statistics, facts and records on farming as an industry, discussion of the farm of the future, information on citizenship and naturalization, a brief review of the history and development of the United States, "do's and don'ts" for use in emergencies, poisons and their antidotes, instructions for flower and vegetable gardening, crop seed sowing instructions, a list of places of interest to the tourist, parcel post rules and regulations, temperature and rainfall chart, dates of killing

frosts in all parts of the country, and a table of distances between the principal cities of the country.

Stories on the founding and development of the Ford Motor Company and about the Ford Rouge Plant, word pictures of famous Edison Institute Museum and quaint Greenfield Village, established within a few miles of the Rouge Plant, are other features of the Ford Farm Almanac.

When you throw yourself away, don't expect others to pick you up.

Beware The Cough From a common cold That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)
